BEACH RESORT
SHARM EL SHEIKH

Parrotel Beach Resort, Sharm El Sheikh offers upscale lodging on the coast of the Sinai Peninsula. Guests can snorkel off nearby Tiran Island or take a shuttle to the city center. As an added convenience, El Sheikh International Airport is only 7 kilometers away. The 331 rooms and suites boast features like a mini bar and views of the sea or garden.

A total of 4 on-site restaurants give travelers plenty of dining choices. Some popular options include Mediterranean fare, homemade Italian dishes and fresh seafood. You can visit poolside and beach bars or enjoy a cocktail away from the sun. The spa offers both a gym and relaxing massages. Experience the region's aquatic life and beautiful coral with our diving center. Ideal for business or personal galas, the expansive King Tut Ballroom can host up to 225 people. Event organizers can use the garden and terrace for smaller gatherings.
